Dear Ms. Bjornson:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule A of your report discloses aggregate year-to-date totals for contributions received from individuals and a party committee that appear to be incorrect. Please be advised that federal regulations require aggregate year-to-date totals to include only those contributions that are received during the calendar year. In the event that the aggregate year-to-date totals are correct, please note that federal regulations also require the disclosure of all contributions received from individuals who have contributed over \$200. 11 CFR §104.3(a)(4) Please amend your report to provide the correct aggregate year-to-date totals.

A response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division). My local number is (202) 694-1130.
